

Aslamu alaykoun parents

Next week we will be working on the number 8.

Please watch the following YouTube video link with your child which is all about the number.

Now for the work activity on the worksheet provided, show your child the number 8 by pointing to it at the top where the cloud is. Tell them that this is the number 8, ask them to repeat it after you. Then tell your child to try and find the number 8 by themselves by pointing to it, then let them circle it using a crayon or pencil.

Find the numbers

8 5 7 4 6 1 8 9

6 3 2 8 3 6 8 3

8 8 2 5 1 2 7 9

5 1 4 6 8 1 7 1
