

Reception Homework

English

Get your child to draw the following pictures in their books and use their sounds to label each picture.

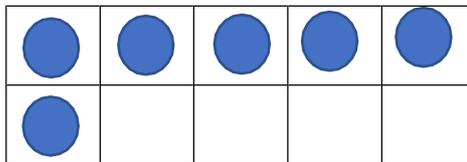

Please do not write for your child, encourage them as much as possible. It does not matter if your child makes a mistake or misses out a letter, you child will learn from their mistakes.

Math's

Practice writing numbers 1-6 in your homework book. Click the link below to watch a fun video helping you to form your numbers correctly:

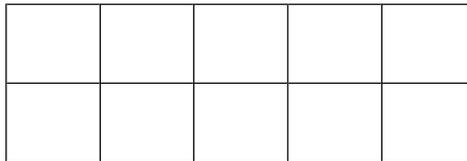

<https://youtu.be/DzKqCmjVXLI>

Draw these ten frames.

How many counters are in the ten frames?

Can you draw six counters in the ten frames below, but now arrange them differently?

Write the answers in the circles:

How many oranges? 

How many jugs? 

Challenge:

If I had 5 sweets and Ms Shaheda gave me one more, how many sweets will I have ~~altogether~~?
