Now choose three words ending in 'ly' and put them into a new sentence then write them in your homework book in your best handwriting. Don't forget capital letters and full stops!

Compound words:

How many compound words can you make using the following? Write down all the compound words that you have made in your homework books.

snow basket brush fire tooth Super ball works bow
corn rain hero eye butter ball pop fly flake

Year 2 homework

Comprehension

The Adventure of Blueberry Boy

It was the school summer holidays. Early on a normal Tuesday morning, Billy heard loud noises coming from downstairs. He stumbled downstairs and saw his mum running out of the door. She was late for work again. In the kitchen, his breakfast lay on the table. Billy took a blueberry and popped it into his mouth. As he bit into it, something very odd happened. He felt himself get very hot and his skin turned blue.

Billy ran upstairs to look in the mirror. He saw that he was round, blue and dressed in an odd-looking superhero outfit. On his chest, there was a big letter B. "What does the B stand for?" he said to himself. Then, he remembered the blueberry.

Billy could feel butterflies in his tummy as he looked at himself. "I am Blueberry Boy," he whispered to himself. "I must have super powers!" he thought.

As quick as a flash, Billy was in the garden ready to test his new powers. "Maybe I can fly," he puzzled. Holding his breath, Billy jumped off the top of the slide...

Answer the questions in your homework book using full sentences.

Q1: Where was Mum going in such a rush?

Q2: What happened when Billy ate a blueberry?

Q3: Which superpower did Billy test out first?

Q4: Find two words that describe how Billy looked as a blueberry boy?

Q5: List all the compound words that you can find in the passage.

Maths.

Year 2 homework

For each problem, underline the key information, write down the calculation and work out the answer in your homework book.

1. Amina collects 23 conkers. She gives 6 of the conkers to her brother and 8 to her sister.

How many conkers does she have left?

2. James and Zain bring their football cards to share with their friend Thomas.
James brings 14 and Zain brings 11. They give Thomas 8 cards between them.

How many do James and Zain have left altogether?

(Challenge)

3. A greengrocer has a box of apples. In the morning he sells 17 apples. In the afternoon he sells 6 apples.

At the end of the day there are 11 apples left in the box.

How many apples were there at the start of the day?

How many do James and Zain have left altogether?

Time tables

In your homework books, write out your 2,3,5,10 time tables in columns and practice the ones you are struggling on.

You will be tested on the 13.11.20.
