

Assalam Alekum Dear Parents

I pray you are in the best of health and imaan. Ameen

Next week is our assessment week and children will sit tests for:

- Maths
 - 1- Place Value
 - 2- Addition and Subtraction including money
- Phonics
- English Reading
- English Independent Writing

Please do practice with your children the maths booklets added to the online portal. **You do not need to print them, only write answers in their homework books.**

For English, please look at the previous work to help revise the topics covered during the term

These assessments are to help:

- set targets for the children for the coming term
- make informed decisions for planning lesson

We do not want children /parents to get stressed in regards to these assessments, as they are part of learning. They will help us all to work towards improving the standard of their achievements; in sha Allah.

Wassalam

Year 1 Team

Miss Diya, Miss Sara and Miss Farrah
