# Instructions

You **may not** use a calculator to answer any questions in this test.

## Questions and answers

You have **20 minutes** to complete this test.

Work as quickly and as carefully as you can.

Put your answer in the box for each question.

A grid of 10 columns and 5 rows. In the center, there is a larger rectangular box with a thick black border, spanning 6 columns and 2 rows. This box is intended for the student to write their answer to a question.

If you cannot do one of the questions, **go on to the next one**.

You can come back to it later, if you have time.

If you finish before the end, **go back and check your work**.
