Assalamu'alykum Dear Parents/Carers,

Here is Phonics Learning for Week 3 for your child to do at home. Watch the videos with your child and please ensure any writing work is completed in their Literacy Homework books.

We are now starting Phase 3. Every day there will be a new sound, a video link and an activity.

There is no obligation to complete every activity each day or to do them in a particular order; just pick and choose the ones you like the look of!

Stay safe, We hope you enjoy learning phonics and look forward to seeing you very soon.

Jazak'Allah Khairun
