

What is the Qur'an?

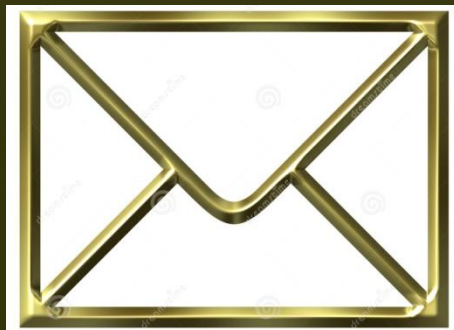

All About  
The **QURAN**

The Quran is the book of Allah (SWT)

Allah (SWT) sent the book to Muhammad  
(Sallallah hu alayhi wasalam)

So Muhammad (SAW) could teach it to us

**Angle Jibreel (A.S)** brought the Qur'an to Muhammad (SAW)

Jibreel (A.S) brought it to Mumammad (SAW) **part by part.**

It took **23** years to complete the Qur'an.

The Qur'an we read today is  
the **SAME** as it came to  
Muhammad (SAW) years  
and years ago.

Not a single word has  
changed!

The Qur'an teaches us how to be a **Good Muslim** and how go to Jannah  
(Paradise)
