

KS1 English homework for the week beginning: 26<sup>th</sup> April 2021

Write 5 sentences using Subordinating Conjunctions: use the posters to help you.

Subordinating conjunctions: A conjunction is a word, or words, used to connect two clauses together. Words such as: 'although', 'because' or 'when'...

**Subordination**  
Using because, that, if, when

We can use conjunctions e.g. when, if, because, that to add extra information to our sentences.

 <p>I am excited <b>because</b> it is nearly my birthday.</p>	 <p>I like to play on the beach <b>when</b> I am on holiday.</p>
 <p>I ate the cake <b>that</b> I saw in the kitchen.</p>	 <p>I can't play in my back garden <b>if</b> it is raining.</p>

Try to use conjunctions in your writing to add extra information.
