

## Reception Literacy Homework

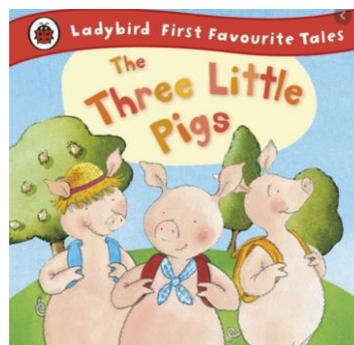

During the Spring Term we have been exploring the Fairy Tales:

Jack and the Beanstalk

Hansel and Gretel

The Three Little Pigs

- Choose your favourite tale and talk about what happens in the story using the words first, then, next.
- Then write about the events of the story in your homework book using the words first, then, next, and finally.

### Top tips for using phonics to help with writing:

1. Encourage your child to sound out the word/s that they wish to write e.g. if they want to write hat, ask them what sound the word starts with. What is the next sound? Help your child to stretch out the sounds in the word by saying the word slowly e.g. hhhh-aaaa-tttt.
2. Encourage using a capital letter at the start of each sentence and a full stop at the end.
3. If they are writing a sentence, support them with using finger spaces between each word.
4. Encourage your child to record words/sentence on the lines going from left to right.

Practice the following Phase 3 Tricky Words in your homework book.

he					
she					
we					
me					
her					
was					

**PhonicsPlay comics** for children to practise their reading are available using the link below:
