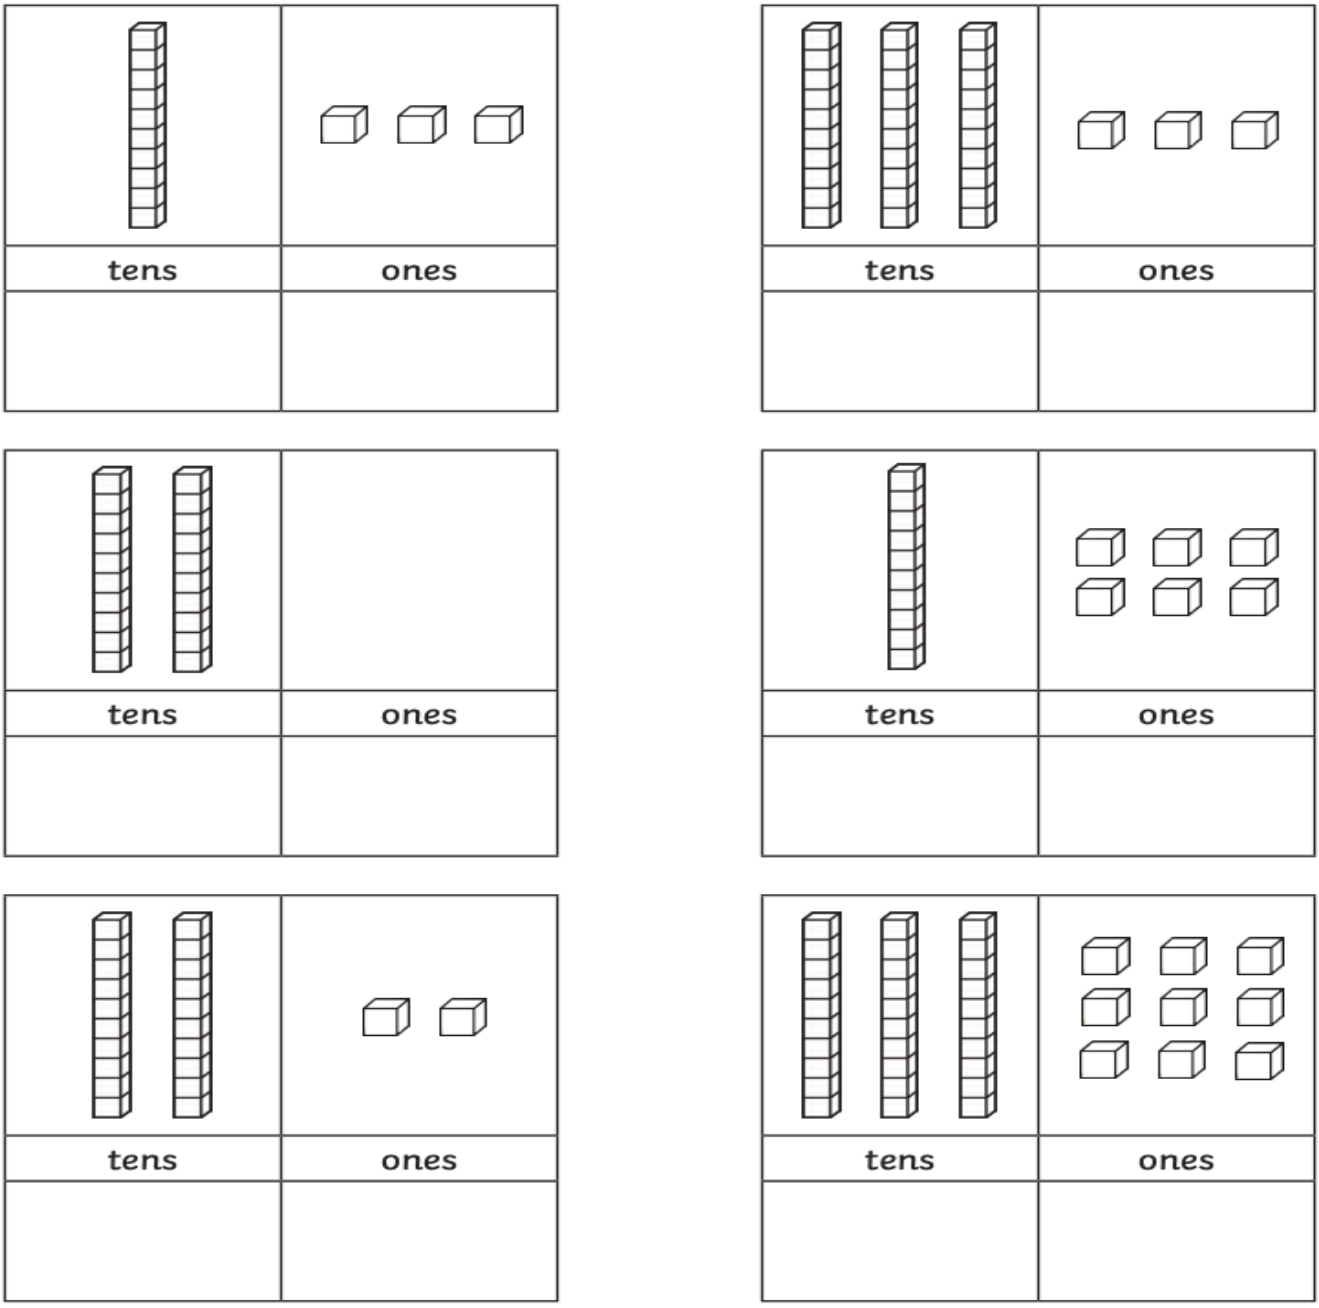
KS1 Math's flip learning for the week beginning: 26th April 2021

In KS1 we will be revisiting addition and subtraction this week to help us develop our calculation skills further. Watch the following video – Partitioning 2-digit numbers into tens and ones.
https://www.youtube.com/watch?v=uw2JoeyYOvE&ab_channel=Bressinghamlearningfun%21

Year 1 – Draw the towers and cubes in your red homework books and write the number sentence next to them

How Many Tens and Ones?

Text



Year 2- Draw the towers and cubes in your red homework books and write the number sentence next to them.

Rods and Cubes
