

Reception Homework

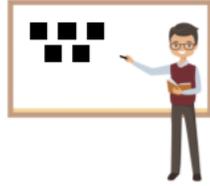

Reception you have been working so hard this term. You have been learning how to double numbers, subtract, finding whole and understanding patterns well done! Now can you have a go at doing the sums below. you can write or draw them in your books.

Doubling (to 20)

Example

$$5 + 5 = 10$$

Double 5 is 10

$$6 + =$$

Double 6 is

$$7 + =$$

Double 7 is

$$8 + =$$

Double 8 is

$$9 + =$$

Double 9 is

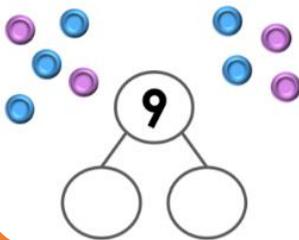

$$10 + =$$

Double 10 is

Complete the part-whole model.

Draw images to match the story.

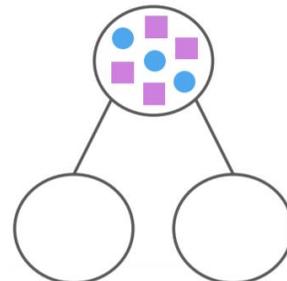

Ben has 3 buns. Jill has 2 buns. How many buns altogether?

Complete the parts.

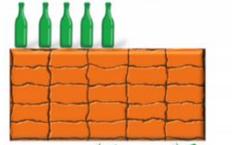

Complete the part-whole model.

**Build 7 cars.
Drive 3 away.
How many left?**
