

Nursery task:

Imagine you were a bee, how would you look like, what would you eat, where would you go?

Draw a picture of how you would look like as a bee and label the different parts of your body. Be as imaginative as you can be!

Reception task:

Imagine you were a bee, what adventure will you go on, what places would you visit?

Write a short description about where you would fly off to as a bee and talk about all the things you would see during your journey. Use your imagination and be as creative as you can!
