

Reception Homework

Phonics:

Inside your child's homework folder, there is a brown envelope with all the sounds your child has learnt so far. Go through the sounds with your child and support them on any they do not know.

Once you have gone through the sounds, get your child to practice writing all the sounds correctly in their homework books. Next can your child draw a picture of something that begins with each sound next to the correct sound.

Maths:

Your child has a set of numbers 1-10 inside their homework folder.

- Can you get your child to write numbers 1-10 correctly inside their homework books?
- Draw a number line in your child's homework book with missing numbers and check whether your child can write the missing number.

1		3	4		6	7		9	10
	2	3		5	6		8	9	10
1	2		4	5		7	8		10
1	2		4		6	7	8	9	
		3	4	5	6		8	9	10
