

# Reception Maths Homework

This week we have been learning how to compare two sets of objects and groups.

Ask your child the following questions:

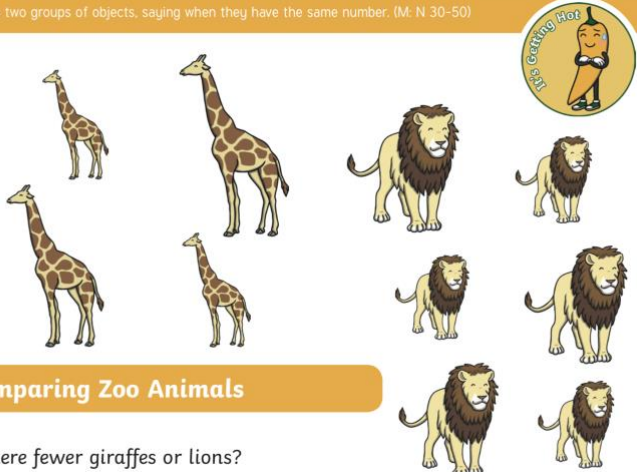

Compares two groups of objects, saying when they have the same number. (M: N 30-50)

**Comparing Zoo Animals**

Are there more zebras or monkeys?

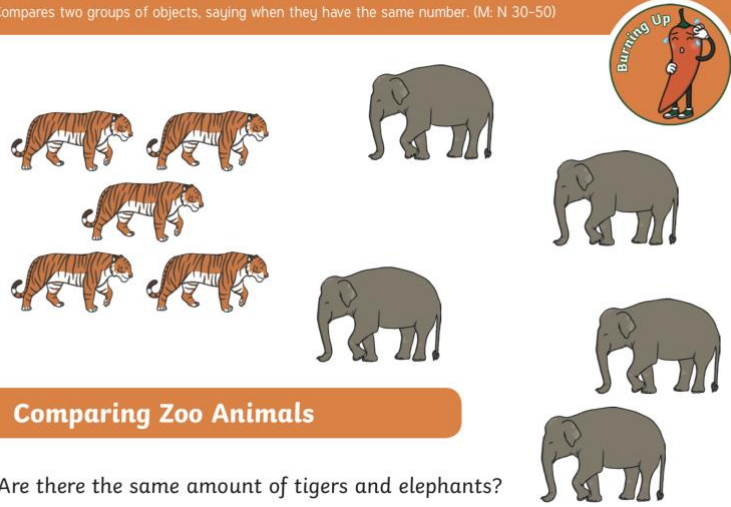

Compares two groups of objects, saying when they have the same number. (M: N 30-50)

**Comparing Zoo Animals**

Are there fewer giraffes or lions?

Compares two groups of objects, saying when they have the same number. (M: N 30-50)

**Comparing Zoo Animals**

Are there the same amount of tigers and elephants?
