We have written interesting fact files and amazing poems about endangered bears. Next week we are going to write a fact file about a pioneering personality; David Attenborough.

David Attenborough, world renowned documentary filmmaker, has worked hard to research and campaign towards saving the planet, conserving nature and leaving a better Earth for the whole of mankind.

David Attenborough is known as a champion of humanity and Earth. Please research about his work to help you design a poster for homework.

Please watch this video as part of your research to help you create a poster about David Attenborough.
