Theme 5 Plants Poetry

Five Little Flowers

Five little flowers growing by the door,
Along came a gust of wind, then there were four.

Four little flowers for all the world to see,
My friend Tom picked one, then there were three.

Three little flowers glistening with the dew,
A naughty dog jumped on one, then there were two.

Two little flowers growing in the sun,
A fluffy bunny nibbled, then there was one.

One little flower standing all alone,
My Mum would like you, I think I'll take you home!
