

# English/ Literacy Homework - EYFS

Please do not print - draw and write in the **red homework book**.

## Clean Teeth Sequencing

Look carefully at the pictures. Can you put them into the correct order to show people how to brush their teeth?

The image contains five empty rounded rectangular boxes with orange borders, arranged in two rows. The top row has three boxes and the bottom row has two boxes. These boxes are intended for students to draw or write in to show the correct sequence of steps for brushing teeth.
