

A pile of colorful wooden math tiles with numbers and symbols. The tiles are scattered and overlapping, showing various colors like pink, blue, green, orange, yellow, and purple. Some tiles have numbers (1, 2, 3, 4, 5, 6, 7, 8, 9, 0) and some have mathematical symbols (plus, minus, multiplication, division).

Y5-6 Maths Flip Learning

For week starting Monday 9/ 5/ 2022

What topics we will learn this week:

We will be learning about polygons and coordinates. Watch the following videos that we will learn about during the week:

You need to watch these before each lesson and make sure you understand. You can always ask the teacher if you don't

[Y5-6 Polygons](#)

[Y6 Drawing Shapes Accurately](#)

[Y5 Reasoning about 3D shapes](#)

[Y6 Nets of 3d Shapes](#)

[Y5 Describe Position](#)

[Y5-6 The first Quadrant](#)

[Y6 Four Quadrants](#)

[Y5-6 Translations](#)
