

Holiday Project

This term we have looked at different transports from the past and focused on the Wright Brothers. To finish our topic off I would like you to design a booklet or poster about the Wright Brothers.

You could include:

When they were born.

How did they become interested in flying?

What did they do?

When was their first flight?

Remember to make your booklet or poster colourful and to have lots of pictures. Check your spelling and punctuation carefully.

Have fun!
