

Year 1 – Maths

Complete the following in your homework book.

Circle the two number shapes that make 8 when added together.

Calculate the total for each dice roll.

first roll

second roll

Complete the table.

1 Less	Number	1 More
	5	
0		
		10

Check the calculations and circle the one that is incorrect.

$7 = 5 + 2$

$2 = 10 - 8$

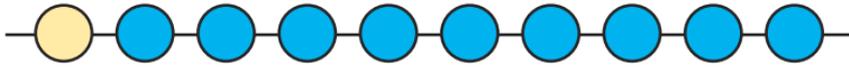

$3 + 3 = 6$

$8 - 0 = 0$

$9 - 1 = 8$

$2 + 3 = 5$

Write a fact family to match the model.

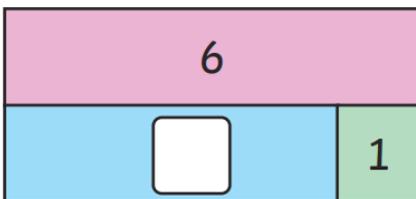

$\square + \square = \square$

$\square + \square = \square$

$\square - \square = \square$

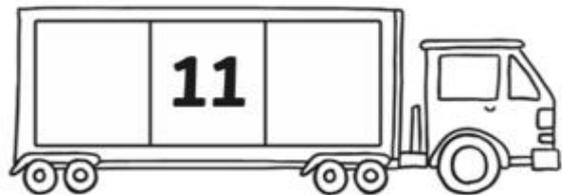

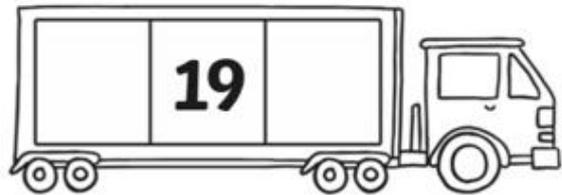

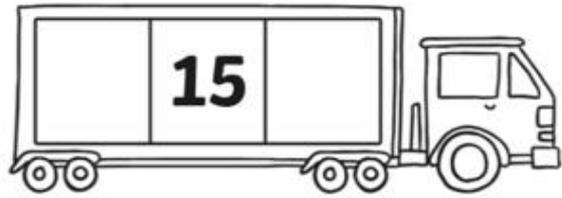

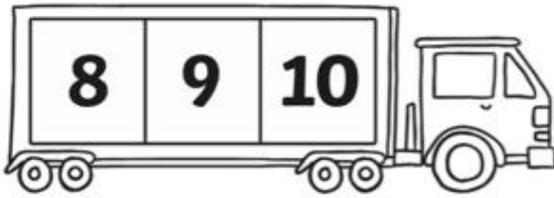

$\square - \square = \square$

Complete the bar models.

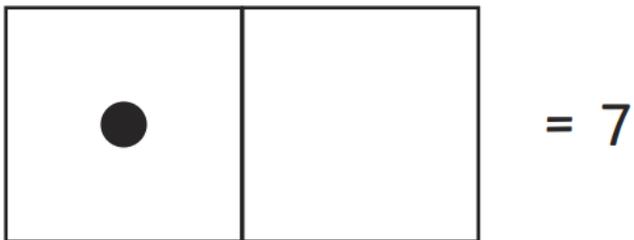

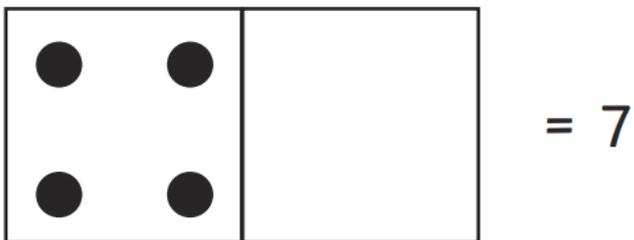

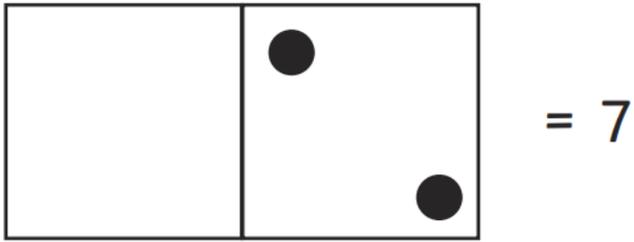

One More, One Less Number Writing Sheet

Write the numbers that come before and after.

- Add spots to the dominoes to make 7 altogether.

- Complete the part-whole models.
