

Summer Project – KS1

Next year we will be looking at the Victorian era. Over the summer holidays I would like you to make a Victorian house or a room from a Victorian house.

You can use shoe boxes, cereal boxes, kitchen rolls, bottle lids, material pieces or anything else you may have to make your house or room.

Have a look at the pictures below for inspiration.

I look forward to seeing all your wonderful work in September.

Have fun making them!
