

# FLIP LEARNING - ENGLISH

KS1 - Year 1 and 2

# RIDDLES

A **riddle** is a type of poetry that describes something without actually naming what it is, leaving the reader to guess.

Next week for English we will be learning about riddles and planning to make our own.

Below is a link that explains more about riddles.

Ask your parents for riddles they may know, so you can share them with us in class next week insha'Allah. Enjoy!
