

How many are hiding

I have five counters

I am going to hide several counters and you have to write how many I have hidden.

Please draw the counters in your book and write the answer.

1.  How many counters did I hide?

2.  How many counters did I hide?

3.  How many counters did I hide?

4.  How many counters did I hide?

5. How many counters did I hide?
