

Year 1 – English Homework

To help you understand what we have been learning this week I would like you to complete the following questions into your homework book.

I would also like you to spend some time reading with an adult at home and to write this down in the reading record tracking sheet in the front of your homework book.

Remember homework is due in on **WEDNESDAY 7th JUNE.**

This term we have looked at how to plan and write a story. I want you to read the story below and then I want you to write the ending. Have fun.

Patcho and Pigeon: Dynamic Duo!

What Happens Next?

Dr Jelly is up to her old tricks and causing chaos across the city. This time, she's discovered a way to turn all the water in the city into jelly! Thirsty people turn on their taps only to get a glass full of the green stuff. They try to wash their hair and end up covered in jelly. The river is a wobbly mess and the boats can't make their way through. It's a sticky situation! Only Patcho and Pigeon can save the day.

Write what happens next.

What Is a Beach?

- 11 A beach is a slim strip of land that can be
22 found next to the sea, a river or a lake. A
31 beach is often made of sand, grains of rock
39 and minerals that have been ground down by
44 the constant pounding of the
48 wind and the tide.
- 56 A beach can keep inland towns and forests
65 safe. They absorb the power of the waves and
73 turn harsh storms into a little splash that
76 laps the sand.
