

Year 2 – Maths Homework

To help you understand what we have been learning this week I would like you to complete the following questions into your homework book.

I would also like you to spend some time reading with an adult at home and to write this down in the reading record tracking sheet in the front of your homework book.

Remember homework is due in on **WEDNESDAY 14th JUNE.**

Answer the following questions in your homework book.

Tally and Bar Chart

Count each type of weather and record your answer in the tally chart.

Weather	Tally	Total
sunny		
cloudy		
rain		
snow		
windy		
stormy		

Use the results of the tally chart to create the bar chart below.

Counting Fruit

It is the end of the week and these are the fruits and vegetables left over from snack time at school. Create a tally chart to show what is left.

Tally Chart		
	Tally	Total
		
		
		
		
		

Now put your data into a pictogram. Draw the fruits into the boxes.

A pictogram showing _____

banana	carrot	tomato	apple	pear

Questions

Answer these questions using your tally chart and pictogram:

1. How many bananas were left?

2. How many pears were left?

3. How many tomatoes and carrots were left altogether?

4. Which fruit had the fewest number of pieces left?

5. How many fruits and vegetables were left altogether?
