

KS1 - Great Britain

As part of world food week, KS1 have been chosen to do Britain.

In preparation for next week, you must make a poster about the

UK in your homework book or A4/A3 paper. You can include

statistics on the population in different parts of the UK, the

culture, or popular food dishes or sports played in Britain! This is

to help you prepare for next week's lesson. Can't wait to see your

poster!
