

Persuasive Writing

Persuasive writing is used to argue or persuade the reader to a particular viewpoint. It is important to be able to argue a point of view even if you do not agree with it.

Task: Plan and then write a persuasive argument for or against the following question: **Should violent video games be banned?** Discuss with people at home and then choose a side that you do not agree with – this will help improve your persuasive skills.

Title: Should violent video games be banned?

My viewpoint:

Introduction

First argument:

Reasons and evidence:

Second argument:

Reasons and evidence:

Third argument:

Reasons and evidence:

Fourth argument:

Reasons and evidence:

Conclusion
