

# Correct the Punctuation

## Adventure

The paragraph below is missing a lot of important punctuation. Add in the correct punctuation by rewriting the paragraph on the lines below.

saanvi stood at the bottom of the large gnarled oak tree it felt like a lifetime since she had left benji and yasir at the playground gates she took a deep breath and whispered, i can do this. isnt this the moment that ive been waiting for suddenly the grooves in the old bark began to shimmer and glow. only moments earlier the air had been filled with the sound of birdsong. now it was silent it was time. saanvi reached deep into her pocket pulled out a tiny acorn placed it on the ground and watched as the magic began to unfold
