

## Year 1 - Flip Learning Homework

Wednesday 11<sup>th</sup> September

This term we will be learning about materials, especially 'what are toys made from?'

For your flip learning look at four toys from your collection and draw their pictures and write their names in your homework book.

If you know the name of the material they are made from write that too, if you don't know, you can guess and write. Example,

<u>Toy Name</u>	<u>Material</u>
Bath Ducky	Rubber
