Choose a topic

- All ten-year-olds should be given a mobile phone.
- Every country should be forced to ban plastic bags.
- Teachers will one day be replaced by computers.
- Children don't really understand the dangers of the internet.

Decide whether you agree or disagree with the statement you have chosen.
Now, discuss and **debate** your ideas with a friend or family member.

Remember to **listen carefully** to what they are saying, as well as thinking carefully about your own opinion.
