

27/11/23

This week, in maths, your child has been learning about 2D shapes.

Go on a shape hunt and look for lots of different shapes. You could hunt for shapes in your house, your garden or you could even go on a shape hunt walk. Discuss what you found with your parents.

For example:

What do you notice about each shape? How many sides does it have? Are all of it's sides the same length?
