

This week, in maths, your child has been learning about one less than a given number. For this week's homework your child has to count the objects on the rope first, then cross one object and count again to write the answer which is one less.

Clothes-Themed One Less Counting Activity Sheet

The activity sheet consists of eight rows of clothing items hanging on a clothesline, each followed by an equals sign and a blank circle for the answer. The items are:

- Row 1: 8 blue socks with yellow polka dots. =
- Row 2: 4 light blue t-shirts. =
- Row 3: 3 red patterned sweaters. =
- Row 4: 5 blue and white striped ties. =
- Row 5: 4 yellow cardigans. =
- Row 6: 2 blue t-shirts with "I ❤️ SLEEP" written on them. =
- Row 7: 5 yellow shorts with a green dinosaur on them. =
- Row 8: 7 red knitted hats. =
