

This week, in maths, your child has been comparing mass and finding out which object is heavier and which is light. This week's Homework is comparing the weight of objects by holding each object in each hand and compare the mass.

Key vocabulary

heavy

light

heavier than

lighter than

If you don't have a set of balance scales, try placing an object on each hand to see which feels heavier.

Record your child's answers in the maths book, so the teacher can see that they have completed homework.
