

Science Flip

Use a **dictionary** and find the meaning of the following words:

1.Pitch

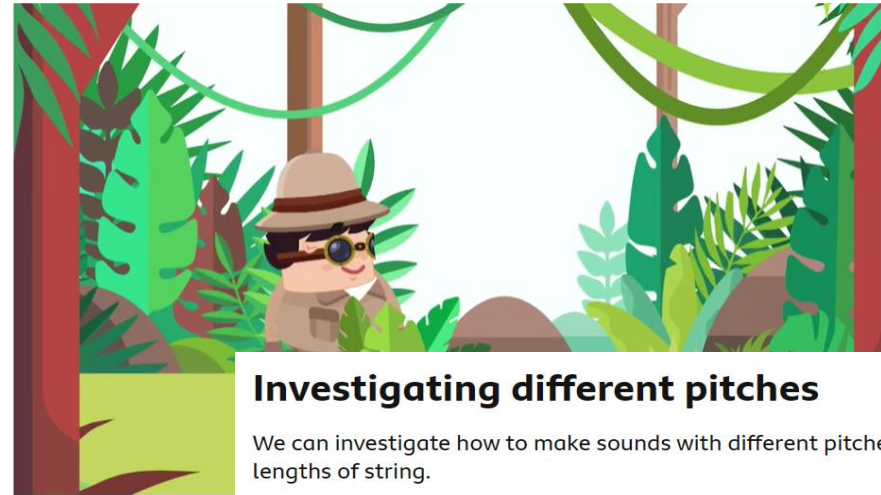

2 .Volume

Now click on this link and watch the two videos: [Pitch - BBC Bitesize](#)

1. Pitch and sound waves

2. Investigating different pitches

Watch: Pitch and sound waves

Investigating different pitches

We can investigate how to make sounds with different pitches using different lengths of string.

Watch: How to conduct a pitch investigation
