This week we have introduced our new word of the week, please practice spelling out the word a few times and writing down the definition.

Our word of the week this week is: **Frosty - the kind of cold that feels like you have a layer of ice over you.**

Phase 3 - 4

The Ship to Cork

- 11 We took the car on the big ship this year and
16 we set sail to Cork.
27 We got to pull up the chain and toot the horn!
36 The ship had a long deck at the back.
46 We got to look at the fish and the foam
51 all the way to Cork.
56 It was such good fun.

Questions

1. Find and copy one word that describes the ship's deck.

2. What did the author take onto the ship? Tick one.

- a van
 a car
 a bike

3. How might the author be feeling while they are on the ship?

4. Number these people from 1-3 to show the order that they are mentioned in the text.

- year
 foam
 fish

Phase 5 +

Helicopters

- 9 A helicopter is an aircraft that can go up,
14 down and to each side.
24 It can spin around, tilt and hover in the air.
34 A helicopter lifts up off the ground due to lots
41 of blades that spin around a shaft.
50 The air will push the blades and this helps
55 the helicopter to take off.
62 Helicopters can land in spots that planes
63 cannot.
72 This means that they can help to drop off
80 food and treatments when there is a disaster.

Questions

1. What do a helicopter's blades spin around?

2. Find and copy a word that means the same as 'medicines'.

3. What is the first fact about helicopters that you learn in this text?

4. How might we use helicopters in the future?

Answer the questions in the full sentence in your books.
