

Week 3 English homework

Complete the tasks given

Write a prequel

- A prequel is what happened before the story we have read.
- Who was 'the man' who was the refugee on the island?
- What was he like? Was he a traveller? Was he lost? Was he an explorer?
- How did he end up on a raft?
- Where was he actually going?
- What was his life like?
- Where was he travelling from?
- How did he end up on the island?

How we can start – use these starters

Everything was happening so slowly...

There he was. Standing in front of me looking as foul as ever...

The rainbow gave my skin a tickling sensation as I slid down it...

Nothing here was familiar...

I was finally holding the map...

Things weren't making sense to me but I knew...

It touched my hand, sending shivers down my back...

I dug quickly and then my shovel hit something hard...

We quickly scampered up the stairs and looked for a hiding place...

I couldn't believe what I was seeing...

There was no way of getting out...

Through the window, I could see shadowy shapes...
